

MULTIGRIP MEDBALL.

Members benefit from increased stability and even more workout options thanks to a practical twist on the classic medball design.

TECHNICAL INFORMATION.

COUNTRY OF ORIGIN:

China

WARRANTY:

1 year

MATERIALS:

Textured rubber

DIMENSIONS:

6kg, 7kg, 8kg, 9kg, 10kg = 272mm

12lb, 14lb, 16lb, 18lb, 20lb = 10.7in

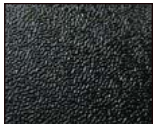

KEY FEATURES.

Handles that provide ergonomic experience.

Monochrome colouring will fit into any design scheme.

Textured surface ensures easy grip during every movement.

TOP BENEFITS.

- Two handles add an element of grip and forearm training as well as giving the user confidence in traditional medball movements.
- Unlocks another level of weighted movement for workouts that challenge every muscle.
- Better-suited to range of motion training than traditional medballs.
- Can be used for either one or two-handed exercises.
