6–10kg – 25.4cm

**Materials:**

Outer cover: Sure grip artificial leather with polyester lining laminated with natural liquid rubber.

Inner filling: Cork granules, synthetic wool, treated pebbles.

**Country of origin:** Pakistan.

## CLUB BENEFITS.

- Colours brighten up a club, encouraging people into functional areas.
- Range of storage options keep these balls safe and tidy when they're not in use.
- The small diameter is inviting, ideal for small hands or less-confident members.

## PT BENEFITS.

- Great for team workouts – increase the challenge by increasing the weight.
- Soft covering is great for partner exercises and fast paced throws.
- Adds to client safety as it's shock absorbing to protect fingers during use.

## USER BENEFITS.

- Perfect tool to train speed, accuracy, and hand-eye coordination.
- Softer and more forgiving than traditional medballs.
- Perfect alternative to rubber medballs and great for varying workouts.

Sure Grip Surface provides users with extra confidence when using the VERTMINI.

The smaller 1-5kg VERTMINIs are ideal for kids' functional fitness, and can be used one-handed by adults.

The slightly larger 6-10kg balls offer greater challenge, and two-handed usage is the way to go.

Get members having fun with throws, catches and other challenges to keep them engaged.
